THE XCHANGER JR.

THE LOW COST SOLUTION TO YOUR CURRENCY CHANGER NEEDS

The XChanger Jr. is the most economical currency changer on the market today. When it comes to a "Buck" — NRI can validate it, stack it, and save it for you.

The XChanger Jr. is perfect for those locations where a larger currency changer cannot be justified, but where availability of a currency changer is necessary for full vending machine profitability.

A field proven currency changer with the best in dollar bill validation and a highly reliable magazine payout. The XChanger Jr. offers many other features:

- Attractive walnut grain panel
- Over 200 $1.00 insertions
- BUCKSTACKER — standard equipment
- Independent "empty" and "ready" lights
- Positive screw-type registered lock
- Slide in — slide out improved BUCKPASSER® Bill Validator
- Quiet motor-driven payout
- One-piece extruded aluminum magazine

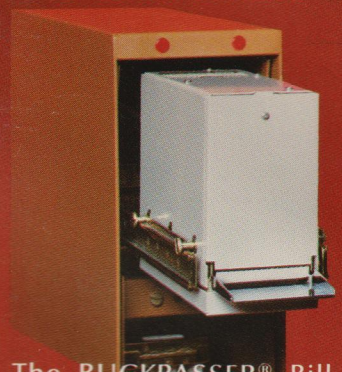
THE XCHANGER JR.

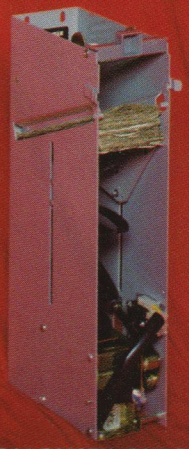
A BUCK BREAKER FOR YOUR CUSTOMERS... A BUCK SAVER FOR YOU.

BUCKPASSER®



The BUCKPASSER® Bill Validator features dual-head magnetic scan of the U.S. $1.00 Bills, solid state modular printed circuit boards, and plug-in, plug-out components. No gates or push trays allow for positive bill transportation. Mounted on dual slides for ease in servicing and access to stacked bills.

BUCKSTACKER



The BUCKSTACKER automatically stacks $1.00 bills into a single column. Eliminates sorting on location and speeds up servicing of the XChanger Jr. The BUCKSTACKER is standard equipment — a real buck saver to you.

CARTRIDGE

A quiet, reliable motor-driven payout system using an extruded aluminum magazine which can be preloaded for quick servicing on location. Available in three different fixed payout combinations. Magazines are interchangeable.
